

# Easing Visiting Restrictions

Visiting restrictions were implemented to prevent the spread of COVID-19, but **have been eased as of June 20, 2022.**

## To All Visitors

- Visiting hours are as follows:

**Mon-Fri: 14:00-16:00**

**\* No visiting on weekends (Sat, Sun) or national holidays.**

- Please stop by the General Information Desk on the 1<sup>st</sup> floor, to receive a visitor's pass before going to the hospital ward.  
Visiting will be prohibited if you do not have a visitor's pass.  
**Please stop by the nurse station when you arrive and leave the ward.**
- Visits are **limited to once a day, up to 15min, up to 2 visitors at a time.**  
**Visitors must be aged 15 and above.**
- Visits outside the ward will not be allowed unless permitted by the hospital.
- Those with temperatures over 37.0°C (98.6°F) or the following symptoms will not be permitted to visit the ward:  
Coughs, difficulty breathing, sputum, sore throat, runny nose/congestion, diarrhea, fatigue, loss of taste or smell  
Those who apply to conditions specified in the COVID-19 self-checklist may be prohibited as well.
- **Please do not eat or drink inside the ward.**  
Visitors are required to **wear facemasks and practice hand hygiene.**

## To All Inpatients

- Inpatients may visit shops or use coin-operated laundry inside the hospital under the following rules:
  1. Adhere to precautionary measures  
(wear facemasks and practice hand hygiene)
  2. Notify the ward nurse when leaving the ward.
  3. Patients are not allowed to meet visitors outside the ward.
  4. Eating or drinking outside the patient's room are not permitted as well.
